2. To ratify the appointment of Ernst & Young LLP as independent auditors for the fiscal year ending December 31, 2005;
3. To consider and act upon a shareholder proposal regarding the voting standard for election of Directors, if properly presented at the Annual Meeting; and

Our Board of Directors recommends you vote "FOR" the election of each of the nominees to the Board, "FOR" the ratification of the appointment of Ernst & Young LLP as independent auditors, and "AGAINST" the shareholder proposal.

The Board of Directors has fixed April 1, 2005 as the record date for determining shareholders entitled to receive notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof. Only shareholders of record at the close of business on that date will be entitled to notice of, and to vote at, the Annual Meeting.

All shareholders are invited to attend the Annual Meeting in person. However, even if you expect to be present at the Annual Meeting, we ask that as promptly as possible you either vote via the Internet or by telephone by following the instructions on your proxy card, or mark, sign, date, and return the enclosed proxy card in the postage-paid envelope provided. Shareholders attending the Annual Meeting may vote in person even if they have previously voted. If you are unable to attend the Annual Meeting in person, you can listen to the webcast live, or on replay, by visiting www.amazon.com/ir.

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS To Be Held on Tuesday, May 17, 2005

General

The enclosed proxy is solicited by the Board of Directors of Amazon.com, Inc. (the “Company” or “Amazon.com”) for use at the Annual Meeting of Shareholders of the Company to be held at 9:00 a.m., Pacific Time, on Tuesday, May 17, 2005, in the Illsley Ball Nordstrom Recital Hall at Benaroya Hall, 200 University Street, Seattle, Washington, 98101, and at any adjournment or postponement thereof.

The Company’s principal offices are located at 1200 12th Avenue South, Suite 1200, Seattle, Washington 98144. This Proxy Statement and the accompanying proxy card are first being mailed to the shareholders of the Company on or about April 5, 2005.

Outstanding Securities and Quorum

Only holders of record of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), at the close of business on April 1, 2005, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On that date, the Company had 410,690,180 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote at the Annual Meeting.

A majority of the outstanding shares of Common Stock present in person or represented by proxy constitutes a quorum for the transaction of business at the Annual Meeting. Abstentions and broker nonvotes will be included in determining the presence of a quorum at the Annual Meeting.

Proxy Voting

Shares that are properly voted via the Internet or by telephone or for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted “FOR” the election of each of the nominees to the Board named herein, “FOR” the ratification of the appointment of the Company’s independent auditors, and, if properly presented, “AGAINST” the shareholder proposal. It is not expected that any matters other than the election of Directors, the ratification of the appointment of the Company’s independent auditors, and the shareholder proposal will be brought before the Annual Meeting. If, however, other matters are properly presented, the persons named as proxies in the accompanying proxy card will vote in accordance with their discretion with respect to such matters.

The manner in which your shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares of Common Stock are represented by certificates or book entries in your name so that you appear as a shareholder on the records of the Company’s stock transfer agent, Mellon Investor Services LLC, a proxy card for voting those shares will be included with this Proxy Statement. If you own shares in street name, meaning that your shares of Common Stock are held by a bank or brokerage firm, you may instead receive a voting instruction form with this Proxy Statement that you may use to instruct your bank or brokerage firm how to vote your shares.

You may vote via the Internet or by telephone. *Using the Internet or telephone helps save your company money by reducing postage and proxy tabulation costs.* If you own your shares in street name, not all banks and brokerage firms have arranged for Internet or telephone voting. Alternatively, you may vote your shares by completing, signing, and returning the proxy card.

Attendance and Voting at the Annual Meeting

If you own Common Stock of record, you may attend the Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card, via the Internet or by telephone. If you own Common Stock in street name, you may attend the Annual Meeting but in order to vote your shares at the meeting you must obtain a “legal proxy” from the bank or brokerage firm that holds your shares. You should contact your bank or brokerage account representative to learn how to obtain a legal proxy. We encourage you to vote your shares in advance of the Annual Meeting by one of the methods described above, even if you plan on attending the Annual Meeting. If you have already voted prior to the meeting, you may nevertheless change or revoke your vote at the Annual Meeting in the manner described below.

Revocation

If you own Common Stock of record you may revoke a previously granted proxy at any time before it is voted at the Annual Meeting by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any shareholder owning Common Stock in street name may change or revoke previously given voting instructions by contacting the bank or brokerage firm holding the shares or by obtaining a legal proxy from such bank or brokerage firm and voting in person at the Annual Meeting.

ITEM 1—ELECTION OF DIRECTORS

In accordance with the Company's Bylaws, the Board has fixed the number of Directors constituting the Board at eight. The Nominating and Corporate Governance Committee of the Board has recommended and the Board has proposed that the following eight nominees be elected at the Annual Meeting, each of whom will hold office until the next Annual Meeting of Shareholders and until his or her successor shall have been elected and qualified: Jeffrey P. Bezos, Tom A. Alberg, John Seely Brown, L. John Doerr, William B. Gordon, Myrtle S. Potter, Thomas O. Ryder and Patricia Q. Stonesifer. Each properly executed proxy will be voted "FOR" the election of these nominees, unless the shareholder indicates on the proxy that votes are to be withheld as to one or more nominees. The eight nominees for election to the Board who receive the greatest number of votes cast for the election of Directors by the shares present, in person or represented by proxy, shall be elected Directors. Holders of Common Stock are not allowed to cumulate their votes in the election of Directors. Withheld votes and broker nonvotes will have no effect on the outcome of the election. Broker nonvotes occur when a person holding shares in street name, meaning through a bank or brokerage account, does not provide instructions as to how such shares should be voted and the bank or broker does not exercise discretion to vote those shares.

Board Meetings and Committees

The Board meets regularly during the year and holds special meetings and acts by unanimous written consent whenever circumstances require. During 2004, there were seven meetings of the Board. All Directors attended at least 75% of the aggregate of the meetings of the Board and committees of which they were members, and each Director then in office attended the Company’s 2004 Annual Meeting of Shareholders.

The Board has established an Audit Committee, a Leadership Development and Compensation Committee, and a Nominating and Corporate Governance Committee. The Committees are responsible to the full Board. The table below provides current membership and meeting information for the last fiscal year for each of the Committees.

The functions performed by these Committees, which are set forth in more detail in their charters, are summarized below.

Audit Committee. The Audit Committee represents and assists the Board in fulfilling its oversight responsibility relating to the Company's financial statements and financial reporting process, the qualifications, independence and performance of the Company's independent auditors, the performance of the Company's internal audit function, and the Company's compliance with legal and regulatory requirements. The Board has designated Mr. Alberg as the Audit Committee Financial Expert, as defined by Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934. Each member is independent as defined by NASDAQ rules for Audit Committee membership.

Leadership Development and Compensation Committee. The Leadership Development and Compensation Committee evaluates the Company's programs and practices relating to leadership development, establishes and reviews compensation of the Company's executive officers, and administers the Company's equity-based and certain other compensation plans, all with a view toward maximizing shareholder value. Each member is independent as defined by NASDAQ rules.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee reviews and assesses the composition of the Board, assists in identifying potential new candidates for Director, recommends candidates for election as Director, and provides a leadership role with respect to corporate governance of the Company. The Nominating and Corporate Governance Committee considers candidates for Director who are recommended by its members, by other Board members, by shareholders and by management, as well those identified by any third party search firms retained by the Company to assist in identifying and evaluating possible candidates. Mr. Brown was initially recommended to the Nominating and Corporate Governance Committee by a third party search firm. The Nominating and Corporate Governance Committee evaluates Director candidates recommended by shareholders in the same way that it evaluates candidates recommended by its members, other members of the Board, or other persons. The Nominating and Corporate Governance Committee considers all aspects of a candidate's qualifications in the context of the needs of the Company at that point in time with a view to creating a Board with a diversity of experience and perspectives. Among the qualifications, qualities and skills of a candidate considered important by the Nominating and Corporate Governance Committee are a commitment to representing the long-term interests of the shareholders; an inquisitive and objective perspective; the willingness to take appropriate risks; leadership ability; personal and professional ethics, integrity and values; practical wisdom and sound judgment; and business and professional experience in fields such as operations, technology, finance or marketing.

Shareholders wishing to submit recommendations for Director candidates to the Nominating and Corporate Governance Committee must provide the following information in writing to the attention of the Secretary of the Company by certified or registered mail:

- the name, address, and biography of the candidate, and an indication of whether the candidate has expressed a willingness to serve;
- the name, address, and phone number of the shareholder or group of shareholders making the recommendation; and
- with respect to Common Stock beneficially owned by the shareholder or group of shareholders making the recommendation, and to the extent any shareholder is not a registered holder of such securities, proof of the number of shares and length of time held.

To be considered by the Nominating and Corporate Governance Committee for the 2006 Annual Meeting of Shareholders, a Director candidate recommendation must be received by the Secretary by December 6, 2005.

Leadership Development and Compensation Committee Report on Executive Compensation

The Company offers compensation packages designed to attract and retain outstanding employees and to reward them for strong company performance. Through broad-based employee ownership of Common Stock, the Company seeks to align employee financial interests with long-term shareholder value.

Executive officers receive total compensation packages in line with their responsibilities and expertise. The Company believes that the majority of an executive's compensation should be closely tied to overall Company performance. Accordingly, base salaries for executive officers are low but are accompanied by significant stock awards and, in certain cases, cash bonuses.

Base Salaries. Base salaries for executive officers generally are designed to be significantly less than those paid by similar companies. These lower base salaries are combined with large stock award grants (and at times cash bonuses), so that the major portion of the executive's pay is tied to Company performance. In 2004, only one executive officer received a salary increase from 2003.

Stock-Based Compensation. The Company seeks to align the long-term interests of its executive officers with those of its shareholders. As a result, each executive officer receives a significant stock award when he or she joins the Company. Grant sizes are determined based on various subjective factors, primarily related to the individual's anticipated contributions to the Company's success, level of expected responsibility, experience and breadth of knowledge, as well as the Company's stock price at time of grant.

In late 2002, the Company implemented a restricted stock unit program as its primary vehicle for employee stock-based compensation. The Committee believes that restricted stock units align employees' interests with shareholders over the long term and help limit overall shareholder dilution from stock awards.

The Leadership Development and Compensation Committee periodically considers whether to grant additional stock awards to each executive officer on an individual basis. The Committee's assessment is based on various factors including the executive's past contributions to Company performance and level of responsibility and the Committee's view of the executive's anticipated contributions to the Company's future success. In making grants in 2004, the Committee reviewed total compensation that might be earned by each executive over a multi-year period, including both the expected value of the executive's existing equity awards and the expected value and vesting schedule of any proposed new stock award.

Bonus Compensation. In 2004, the Company hired one executive officer and awarded him a bonus payable over two years to encourage him to join the Company. The Company also made bonus payments to one other executive officer under a pre-existing contractual commitment. The Company intends to make additional cash bonuses to executive officers from time to time based on performance, potential and the expected value of total compensation over the bonus period. Through stock awards, executive compensation is aligned with long-term stock price performance. The Committee did not establish any performance-based bonus opportunities for executives in 2004 and does not expect to set such bonus opportunities in 2005, although certain non-officer employees do receive performance-based bonuses.

Other Compensation. The Company pays relocation and related expenses in connection with executive hires. Executives also participate in the Company's 401(k) matching program.

Chief Executive Officer Compensation. Mr. Bezos received \$81,840 in cash compensation from the Company during 2004. Mr. Bezos' compensation was considerably less than may have been paid to an individual with similar responsibilities in a similar industry. Due to Mr. Bezos' substantial ownership in the Company (approximately 25%), Mr. Bezos requested not to receive additional compensation in 2004, and has never received stock-based compensation from the Company.

Ongoing Review. The Committee periodically reviews the total compensation estimated to be earned by each executive officer for a multi-year period, including salary, expected value of stock awards and any bonuses. The Committee receives recommendations from the Chief Executive Officer and the Human Resources Department for compensation changes, if any. While the Committee reviews industry surveys compiled by the Company's Human Resources Department, it primarily relies on individual performance, potential and historic compensation to target the appropriate level of total compensation for each executive.

The Committee evaluates the Company's compensation policies on an ongoing basis to determine whether they enable the Company to attract, retain, and motivate key personnel. To meet these objectives, the Company may from time to time increase cash compensation, grant additional stock awards or provide other short- and long-term incentive compensation to executive officers, including Mr. Bezos.

Section 162(m). Compensation payments in excess of \$1 million to the Chief Executive Officer or the other four most highly compensated executive officers are subject to a limitation on deductibility for the Company under Section 162(m) of the Internal Revenue Code of 1986. The Committee does not expect cash compensation in 2005 to its Chief Executive Officer to be in excess of \$1 million. In certain years, cash compensation to some of the Company's executive officers may be in excess of \$1 million and not qualify as performance-based. The Company intends to maintain qualification of its 1997 Stock Incentive Plan for the performance-based exception to the \$1 million limitation on deductibility of compensation payments, although not all awards under that plan will qualify for the exception. Restricted stock unit awards granted to executive officers vest based upon an executive's continued service through the time-based vesting schedule set forth in the underlying agreement, subject in some cases to the satisfaction of certain business criteria intended, among other things, to qualify the award as tax-deductible compensation under Section 162(m)(4)(c) of the Internal Revenue Code.

Equity Compensation Plans Not Approved By Security Holders. The Board adopted the 1999 Nonofficer Employee Stock Option Plan (the "1999 Plan") to enable the grant of nonqualified stock options to employees, consultants, agents, advisors and independent contractors of the Company and its subsidiaries who are not officers or Directors of the Company. The 1999 Plan has not been approved by the Company's shareholders. The Leadership Development and Compensation Committee is the administrator of the 1999 Plan, and as such determines all matters relating to options granted under the 1999 Plan, including the selection of the recipients, the size of the grants and the conditions to vesting and exercisability. The Leadership Development and Compensation Committee has delegated authority to make grants under the 1999 Plan to another committee of the Board and to certain officers of the Company, subject to specified limitations on the size and terms of such grants. A maximum of 40 million shares of Common Stock were reserved for issuance under the 1999 Plan. The 1997 Plan is the only plan that allows the Company to issue restricted stock units, the Company's primary form of equity compensation since 2002.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-OF-CONTROL ARRANGEMENTS

Option Plans

1997 Stock Incentive Plan and 1999 Nonofficer Employee Stock Option Plan. In the event of (i) the merger or consolidation of the Company in which it is not the surviving corporation pursuant to which shares of Common Stock are converted into cash, securities or other property (other than a merger in which holders of Common Stock immediately before the merger have the same proportionate ownership of the capital stock of the surviving corporation immediately after the merger), (ii) the sale, lease, exchange or other transfer of all or substantially all of the Company's assets (other than a transfer to a majority-owned subsidiary), or (iii) the approval by the holders of Common Stock of any plan or proposal for the Company's liquidation or dissolution (each a "Corporate Transaction"), the Leadership Development and Compensation Committee will determine whether provisions will be made in connection with the Corporate Transaction for the assumption of stock-based awards under the 1997 Plan and the 1999 Plan or the substitution of appropriate new awards covering the stock of the successor corporation or an affiliate of the successor corporation. If the Leadership Development and Compensation Committee determines that no such assumption or substitution will be made, vesting of outstanding awards under the 1997 Plan and the 1999 Plan will automatically accelerate so that such awards become 100% vested and exercisable immediately before the Corporate Transaction.

ITEM 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Under rules and regulations of the Securities and Exchange Commission, the Audit Committee is directly responsible for the appointment of the Company's independent public accountants. The Audit Committee has appointed, and is requesting ratification by the shareholders of the appointment of, Ernst & Young LLP ("E&Y") to serve as independent public accountants for the fiscal year ending December 31, 2005. The affirmative vote of a majority of the outstanding shares of Common Stock present in person or represented by proxy and entitled to vote on the matter is required to ratify the selection of independent auditors. Broker nonvotes will have no effect on the outcome of this matter. Abstentions will be counted as present at the Annual Meeting for purposes of this matter and will have the effect of a vote *against* the ratification of the appointment of independent auditors. If shareholders do not ratify the selection of E&Y, the Audit Committee will evaluate the shareholder vote when considering the selection of independent public accountants for the audit engagement for the 2006 fiscal year. In addition, if shareholders ratify the selection of E&Y as independent public accountants, the Audit Committee may nevertheless periodically request proposals from the major registered public accounting firms and as a result of such process may select E&Y or another registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF E&Y AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2005.

ITEM 3—SHAREHOLDER PROPOSAL REGARDING THE VOTING STANDARD FOR ELECTION OF DIRECTORS

The Massachusetts State Carpenters Pension Fund, 350 Fordham Road, Wilmington, M.A. 01887, a shareholder that as of December 31, 2004 owned 9,500 shares of Common Stock, has notified the Company of its intention to propose the following resolution at the Annual Meeting. The affirmative vote of a majority of the outstanding shares of Common Stock present in person or represented by proxy and entitled to vote on the matter is required to adopt this shareholder proposal. Broker nonvotes will have no effect on the outcome of this matter. Abstentions will be counted as present at the Annual Meeting for purposes of this matter and will have the effect of a vote *against* the shareholder proposal. THE BOARD RECOMMENDS A VOTE “AGAINST” THIS SHAREHOLDER PROPOSAL.

Beginning of Proposal and Statement of Support by Massachusetts State Carpenters Pension Fund

Proposal

RESOLVED, That the shareholders of Amazon.com, Inc. (“Company”) hereby request that the Board of Directors initiate the appropriate process to amend the Company’s governance documents (certificate of incorporation or bylaws) to provide that director nominees shall be elected by the affirmative vote of the majority of votes cast at an annual meeting of shareholders.

Statement of Support by Massachusetts State Carpenters Pension Fund

Our Company is incorporated in Delaware. Among other issues, Delaware corporate law addresses the issue of the level of voting support necessary for a specific action, such as the election of corporate directors. Delaware law provides that a company’s certificate of incorporation or bylaws may specify the number of votes that shall be necessary for the transaction of any business, including the election of directors (DGCL, Title 8, Chapter 1, Subchapter VII, Section 216). Further, the law provides that if the level of voting support necessary for a specific action is not specified in the certificate of incorporation or bylaws of the corporation, directors “shall be elected by a plurality of the votes of the shares present or represented by proxy at the meeting and entitled to vote on the election of directors.”

Our Company presently uses the plurality vote standard for the election of directors. We feel that it is appropriate and timely for the Board to initiate a change in the Company’s director election vote standard. Specifically, this shareholder proposal urges that the Board of Directors initiate a change to the director election vote standard to provide that in director elections a majority vote standard will be used in lieu of the Company’s current plurality vote standard. Specifically, the new standard should provide that nominees for the board of directors must receive a majority of the vote cast in order to be elected or re-elected to the Board.

Under the Company’s current plurality vote standard, a director nominee in a director election can be elected or re-elected with as little as a single affirmative vote, even while a substantial majority of the votes cast are “withheld” from that director nominee. So even if 99.99% of the shares “withhold” authority to vote for a candidate or all candidates, a 0.01% “for” vote results in the candidate’s election or re-election to the board. The proposed majority vote standard would require that a director receive a majority of the vote cast in order to be elected to the Board.

It is our contention that the proposed majority vote standard for corporate board elections is a fair standard that will strengthen the Company’s governance and the Board. Our proposal is not intended to limit the judgment of the Board in crafting the requested governance change. For instance, the Board should address the status of incumbent directors who fail to receive a majority vote when standing for re-election under a majority vote standard or whether a plurality director election standard is appropriate in contested elections.

We urge your support of this important director election reform.

End of Proposal and Statement of Support by Massachusetts State Carpenters Pension Fund

Recommendation of the Board of Directors on Item 3

The Board believes for the reasons set forth below that a plurality vote standard, the Company's current standard, is the best standard for electing Directors. The Board therefore recommends that you vote "AGAINST" this proposal.

The plurality voting standard for election of Directors is the most common and is the default under Delaware law. As a result, the rules governing plurality voting are well understood.

A plurality voting system does not prevent shareholders from challenging and defeating Director nominees because shareholders can run a dissident Board slate or even a dissident single nominee against incumbent Directors. In addition, "withhold" campaigns against companies with plurality voting systems demonstrate the potential effectiveness of such campaigns in changing Director performance.

The Company has a strong corporate governance process designed to identify and propose Director nominees who will serve the best interests of Amazon.com and its shareholders. Director nominees are evaluated and recommended for election by the Nominating and Corporate Governance Committee, which is comprised solely of independent, nonemployee Directors and which considers candidates for Director who are recommended by shareholders.

THE BOARD RECOMMENDS THAT YOU VOTE "AGAINST" THIS PROPOSAL REGARDING THE VOTING STANDARD FOR ELECTION OF DIRECTORS.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a pre-approval policy under which the Audit Committee approves in advance all audit and non-audit services to be performed by the Company's independent auditors. As part of its pre-approval policy, the Audit Committee considers whether the provision of any proposed non-audit services is consistent with the SEC's rules on auditor independence. In accordance with the pre-approval policy, the Audit Committee has pre-approved certain specified audit and non-audit services to be provided by E&Y for up to eighteen (18) months from the date of the pre-approval. If there are any additional services to be provided, a request for pre-approval must be submitted by management to the Audit Committee for its consideration under the policy. Finally, in accordance with the pre-approval policy, the Audit Committee has delegated pre-approval authority to each of its members. Any member who exercises this authority must report any pre-approval decisions to the full Audit Committee at its next meeting.

Audit Committee Report

The Audit Committee reviews the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for establishing and maintaining adequate internal control over financial reporting, for preparing the financial statements and for the reporting process. The Audit Committee members do not serve as professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent auditors. The Company's independent auditors are engaged to audit and report on the conformity of the Company's financial statements to accounting principles generally accepted in the United States, management's assessment of the effectiveness of the Company's internal control over financial reporting and the effectiveness of the Company's internal control over financial reporting.

In this context, the Audit Committee reviewed and discussed with management and the independent auditors the audited financial statements for the year ended December 31, 2004 (the "Audited Financial Statements"), management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent auditors' evaluation of the Company's system of internal control over financial reporting. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management.

Following the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Audited Financial Statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

PROPOSALS OF SHAREHOLDERS

Proposals of shareholders to be considered for inclusion in the Proxy Statement and proxy card for the 2006 Annual Meeting of Shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 ("Rule 14a-8") must be received by the Secretary of the Company on or before December 6, 2005. The submission of a shareholder proposal does not guarantee that it will be included in the Company's Proxy Statement.

In addition, the Company's Bylaws include advance notice provisions that require shareholders desiring to bring nominations or other business before an annual shareholders meeting to do so in accordance with the terms of the advance notice provisions regardless of whether the shareholder seeks to include such matters in the Company's Proxy Statement pursuant to Rule 14a-8. These advance notice provisions require that, among other things, shareholders give timely written notice to the Secretary of the Company regarding such nominations or other business and otherwise satisfy the requirements set forth in the Bylaws. To be timely, a shareholder who intends to present nominations or a proposal at the 2006 Annual Meeting of Shareholders other than pursuant to

Rule 14a-8 must provide written notice of the nominations or other business they wish to propose to the Secretary no earlier than February 16, 2006, and no later than March 18, 2006. However, in the event the 2006 Annual Meeting of Shareholders is to be held on a date that is more than 30 days before or more than 60 days after May 17, 2006, then such notice must be received not earlier than the 90th day prior to the date of the 2005 Annual Meeting of Shareholders, and not later than the later to occur of (i) the 60th day prior to the date of such annual meeting, or (ii) the tenth day following the day on which notice of the date of annual meeting was mailed or public disclosure thereof was made. If a shareholder fails to meet these deadlines and fails to satisfy the requirements of Rule 14a-4 under the Securities Exchange Act of 1934, the Company may exercise discretionary voting authority under proxies it solicits to vote on any such proposal as it determines appropriate.

The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

HOUSEHOLDING; AVAILABILITY OF ANNUAL REPORT ON FORM 10-K AND PROXY STATEMENT

A copy of the Company's combined Annual Report to Shareholders and Annual Report on Form 10-K for the year ended December 31, 2004 (the "2004 Annual Report"), accompanies this Proxy Statement. If you and others who share your mailing address own Common Stock in street name, meaning through bank or brokerage accounts, you may have received a notice that your household will receive only one annual report and proxy statement from each company whose stock is held in such accounts. This practice, known as "householding," is designed to reduce the volume of duplicate information and reduce printing and postage costs. Unless you responded that you did not want to participate in householding, you were deemed to have consented to it and a single copy of this Proxy Statement and the 2004 Annual Report have been sent to your address. Each shareholder will continue to receive a separate voting instruction form.

If you would like an additional copy of the 2004 Annual Report or this Proxy Statement, these documents are available in digital form for download or review by visiting "Financial Documents" at www.amazon.com/ir. Alternatively, we will send a copy to you upon request by mail to Investor Relations, Amazon.com, Inc., P.O. Box 81226, Seattle, Washington 98108-1226, or by calling 1-800-426-6825.

If you would like to revoke your consent to householding and in the future receive your own set of proxy materials or if your household is currently receiving multiple copies of the proxy materials and you would like in the future to receive only a single set of proxy materials at your address, please contact Householding Department by mail at 51 Mercedes Way, Edgewood, NY 11717, or by calling 1-800-542-1061, and indicate your name, the name of each of your brokerage firms or banks where your shares are held, and your account numbers. The revocation of a consent to householding will be effective 30 days following its receipt. You may also have an opportunity to opt in or opt out of householding by following the instructions on your voting instruction form or by contacting your bank or broker.

If you own shares in street name, you can also register to receive all future shareholder communications electronically, instead of in print.
